

Interbaleares Group

Presentation

History

Import Interbalear SL was founded in 1989 in Palma de Mallorca to cover the demand for British products by the tourist sector in the Balearic Islands.

During the 90s, the company expanded to Alicante and Catalonia.

Anglo Interimport SL was formed in the year 2000 and incorporated into our distribution network to form the Interbalear Group.

We grew during the years to cover the coastal areas of Spain, Southern Portugal and the Canary Islands

Who we are

- Market leader in the Import and distribution of British products in Spain.
- We cover all major tourist areas in Spain with 20 sales representatives and 10 logistic hubs.
- Providing daily deliveries to our clients with our in-house fleet of vehicles and strategic logistic partners.

Our Brands

We work with the main British Brands, distributing over 1000 different products.

Our range of products is constantly evolving to meet market demands.

We have considerable experience in launching new products nationwide.

Our aim is to build lasting, sustainable relationships with both our customers and suppliers to ensure a stable supply and business.

Our Clients

We serve over 1500 clients with over 3000 points of sale.

With a strong presence in nationwide retail chains where we have built good relationships with all the big names such as Carrefour, Corte Ingles, Dia, Alcampo, Eroski, Consum and more.

However we do not limit ourselves to the larger retail chains as we believe it is important to reach the smaller retail stores too.
